

To Our Department of Defense Family,

It has been 16 years since LifeSource first teamed together with you, our Department of Defense Family, to provide others with the gift of life. In that time, we have grown together, as a community, to stand strong in our mission of saving others.

For FY2012, we received 6,170 of your contributions, saving over 18,500 lives. Each year, we have you to thank for your continued support and participation in our blood donation efforts. Through your actions, you continue to enliven and move us to pursue our efforts even further.

We thank you for all the families that you touch through your selfless gifts, which bring life and joy to those in need. None of this would be possible without every person here — you are the ones that set the example and the standard for giving back to our community. We are proud and honored to be associated with Naval Station Great Lakes.

We commend you on your achievement and look forward to celebrating your generous commitment to your community today and for many years to come.

Sincerely,

James P. Covert

ITxM President and Chief Executive Officer
